

**Manufacturer's Declaration for [Click here to enter text.](#)
Exported to New Zealand During the Brown Marmorated Stink Bug (BMSB) Season from a
Schedule 3 Country (Excluding Italy)**

Note: An agent or distributor may complete this form if the criteria have been confirmed with the manufacturer as being correct at all times.

This declaration form relates to the below listed cargo (under the indicated sections only)exported from a Schedule 3 country (excluding Italy) during the BMSB season listed under the [Import Health Standard for Vehicles, Machinery and Parts.](#)

MPI may make enquires with the manufacturer around storage conditions if given reason to suspect that the goods have not been stored as declared. MPI may take further verification or compliance action at the time and in the future if there is evidence that this declaration is false or incorrect and may remove a manufacturer's ability to use the exclusion offered under the Standard.

The BMSB season includes risk goods exported on or after the 1st of September and arriving in New Zealand on or before the 30th of April of any year.
